

Google TV Instructions for Installing and Configuring the 8K VIP App

This guide contains 3 sections:

Section 1: Installing Downloader

Section 2: How to Install 8K VIP Using Downloader

Section 3: Configuring 8K VIP

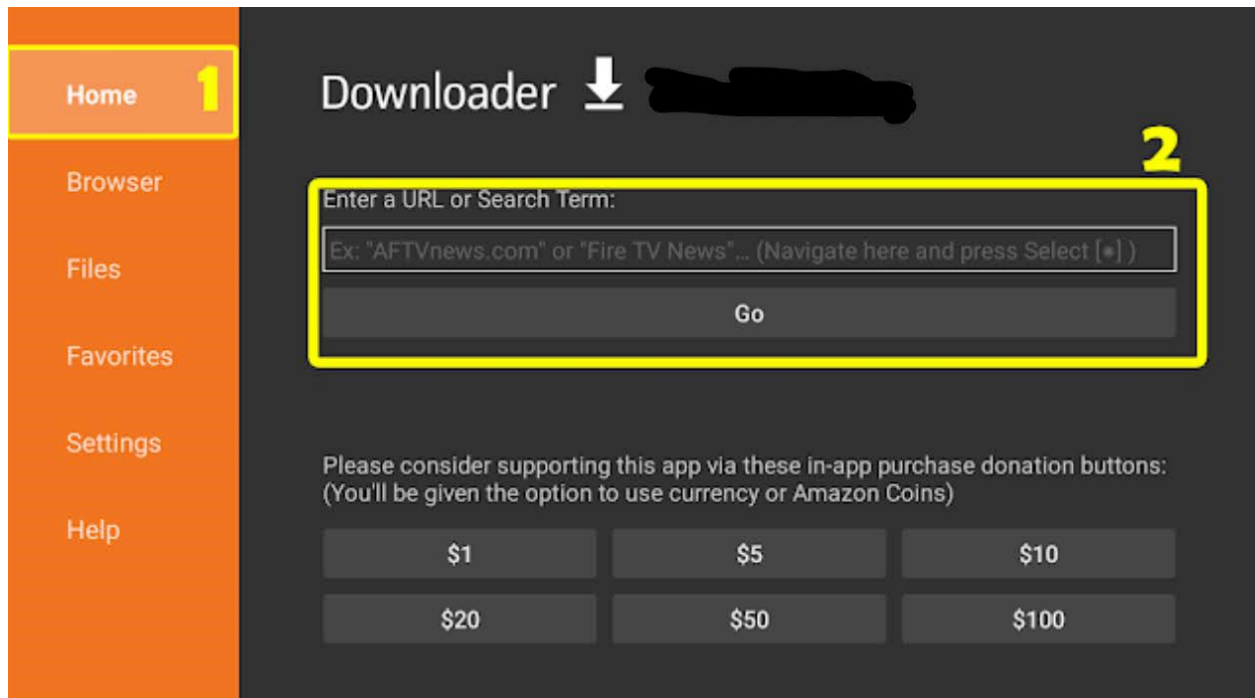

Section 1: Installing Downloader

To download the **8K VIP app**, you must first install **Downloader**. If Downloader is already installed, you may skip this step and go to Section 2.

1. On the Home page, scroll over to **Apps** at the top.
2. In the Search Bar at the top, type in **Downloader**.
3. Select **Downloader** and click **Install**.
4. Once it's installed, select **Open**. *(Upon initial launch of Downloader it should prompt you to allow access to Photos and Media on your device. Make sure you hit Allow, otherwise the app will not work).*

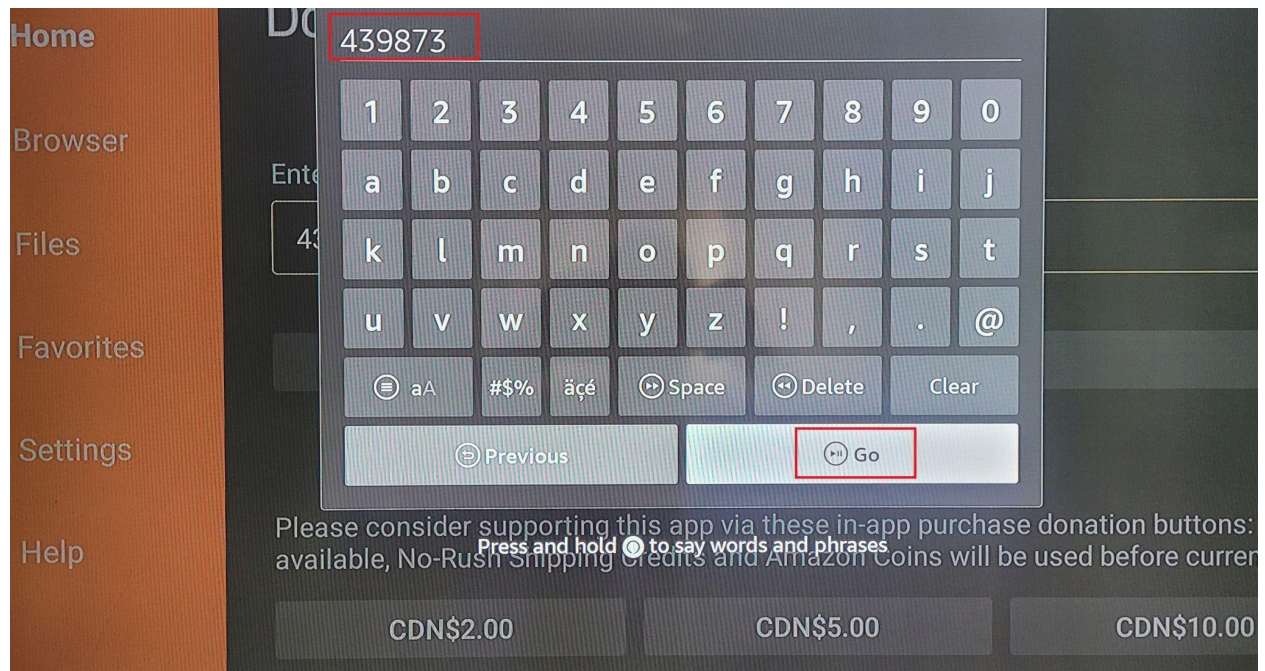

Section 2: How to Install 8K VIP Using Downloader

1. Open the Downloader app and highlight the address bar.

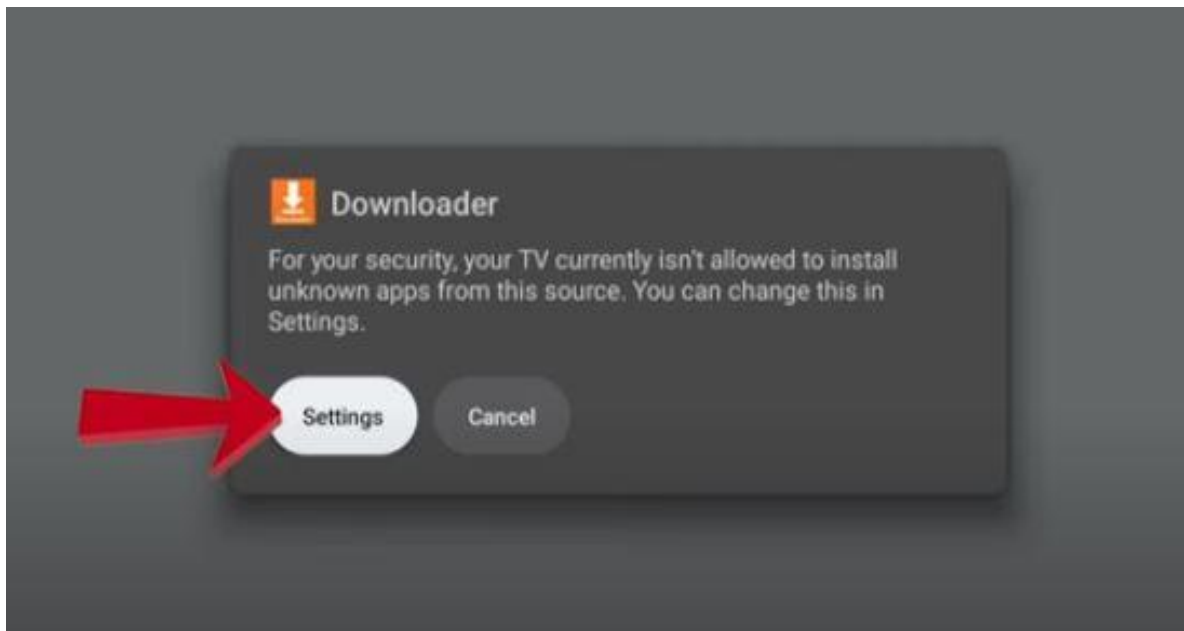

2. Type in the following code: **439873**. Once typed in, click on **GO**. The app should then start installing.

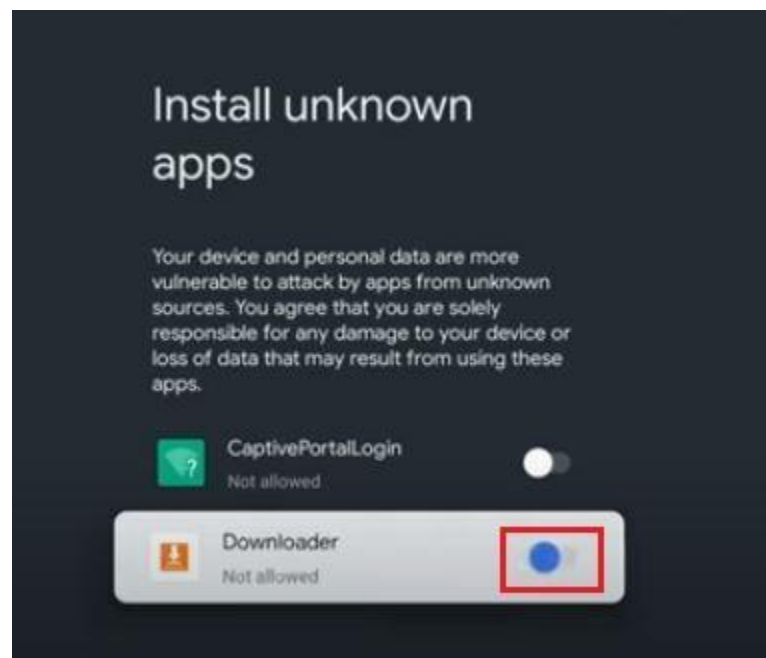

3. During the download you may receive the message below. If you do, be sure to select **Settings** to turn the **Install Unknown Sources** feature..

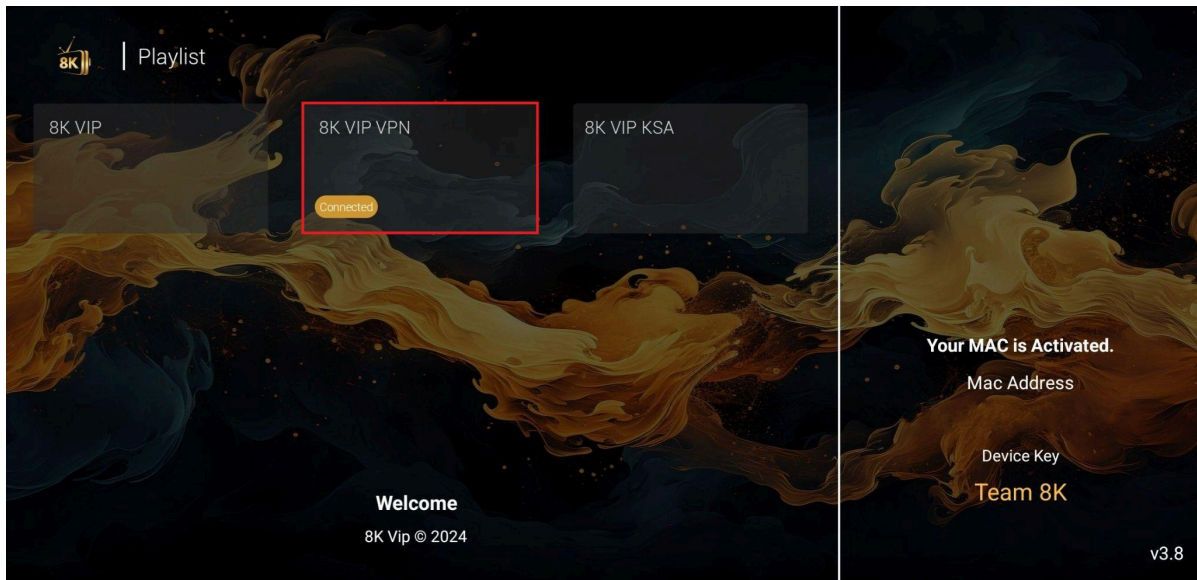

4. Once in Settings, select the **Downloader** option and **toggle on**. You may then resume the download.

Section 3: Configuring 8K VIP

1. Open the 8K VIP app. Once launched, Select **8K VIP VPN** (the middle).

2. Select **Edit**.

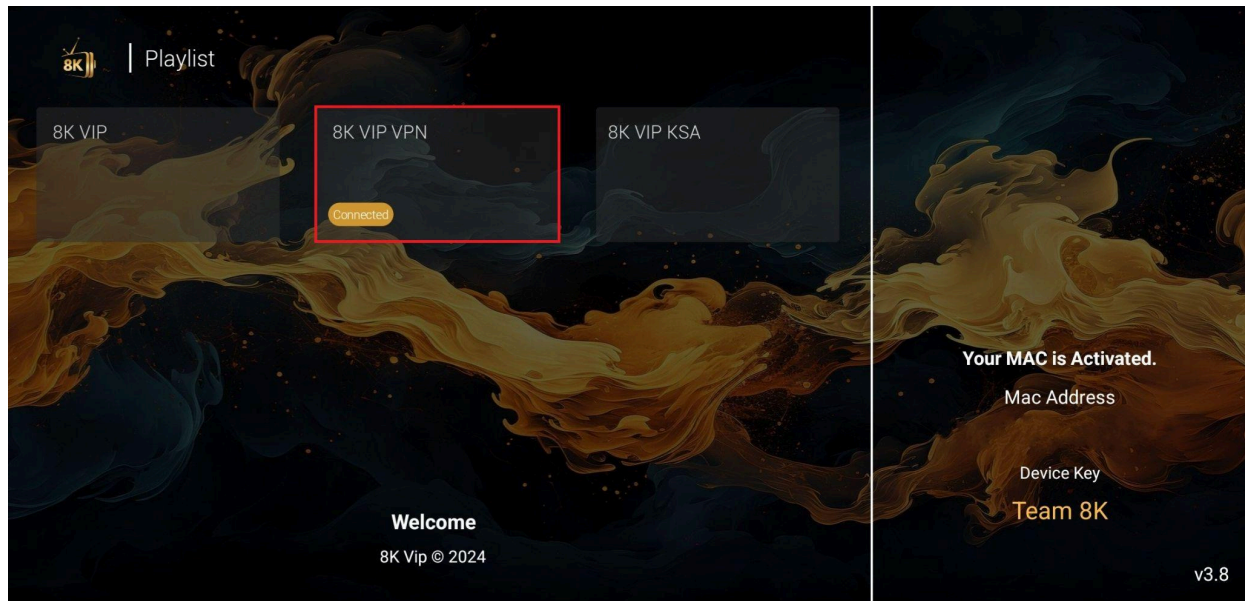

3. Enter the **Username** and **Password** that was given in your Activation email. Leave the Playlist Name as is. After that, select **UPDATE PLAYLIST**.

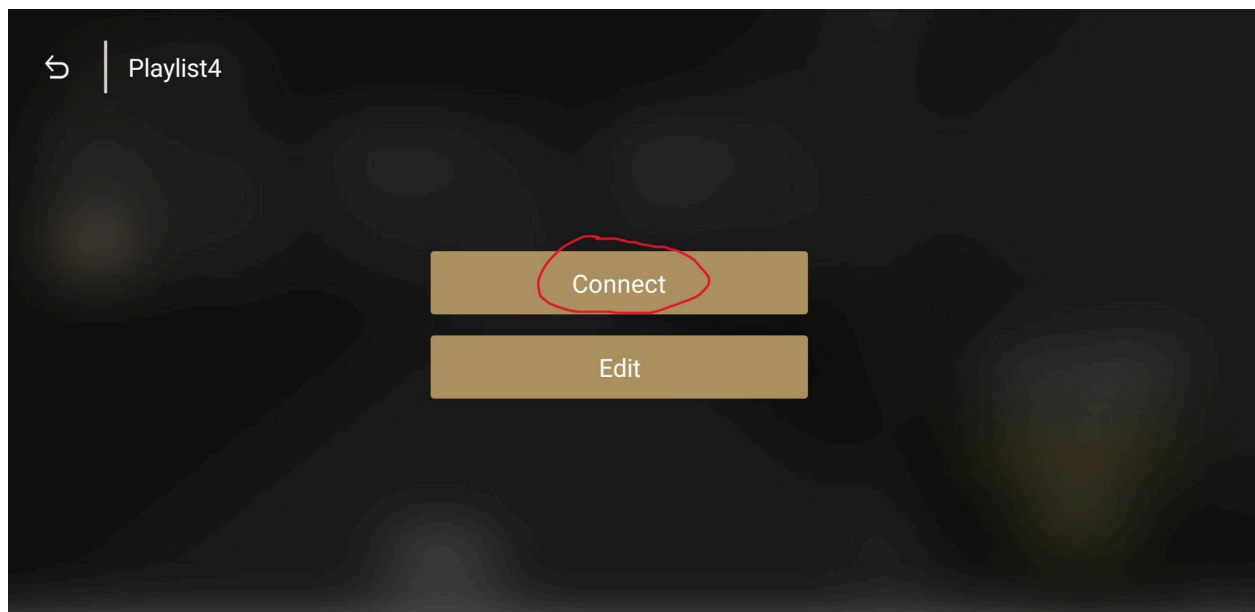

The screenshot shows the 'EDIT PLAYLIST' screen of an application. At the top left is a back arrow icon. The title 'EDIT PLAYLIST' is centered at the top. Below the title are two tabs: 'ADD M3U URL' and 'XTREAM-CODES-API'. A semi-transparent dark grey form is overlaid on the screen. Inside the form, there is a 'Mac Address' field with a person icon. Below it is the 'Playlist Name' field, which contains the text '8K VIP VPN'. Further down are the 'Username' and 'Password' fields, both of which are highlighted with red rectangular borders. At the bottom of the form is a button labeled 'UPDATE PLAYLIST', also highlighted with a red rectangular border. The background of the application is a dark, abstract, swirling pattern in shades of blue and orange.

4. Once again, select **8k VIP-VPN**.

5. Select **Connect**.

6. Congratulations! You are now connected.
