

## Android Instructions for Installing and Configuring the 8K VIP App

This guide contains 3 sections:

**Section 1:** Installing Downloader

**Section 2:** How to Install 8K VIP Using Downloader

**Section 3:** Configuring 8K VIP

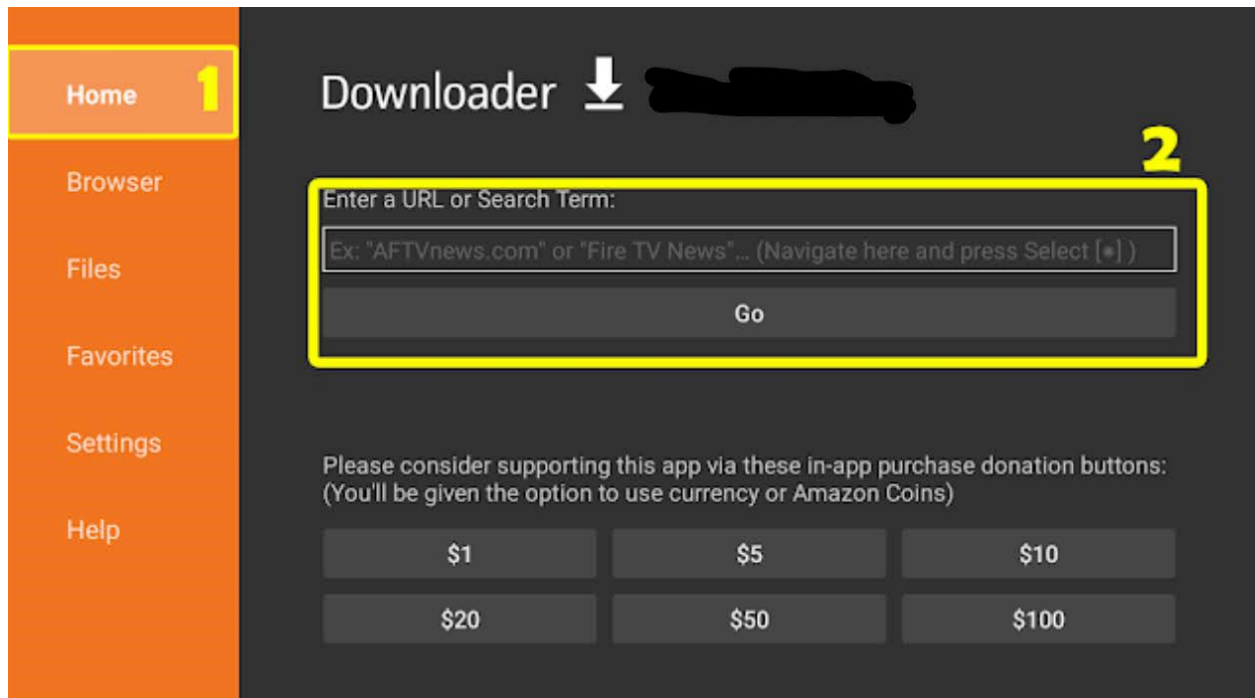

### Section 1: Installing Downloader

To download the **8K VIP app**, you must first install **Downloader**. If Downloader is already installed, you may skip this step and go to Section 2.

1. On the Home page, scroll over to **Apps** at the top.
2. In the Search Bar at the top, type in **Downloader**.
3. Select **Downloader** and click **Install**.
4. Once it's installed, select **Open**. *(Upon initial launch of Downloader it should prompt you to allow access to Photos and Media on your device. Make sure you hit Allow, otherwise the app will not work).*

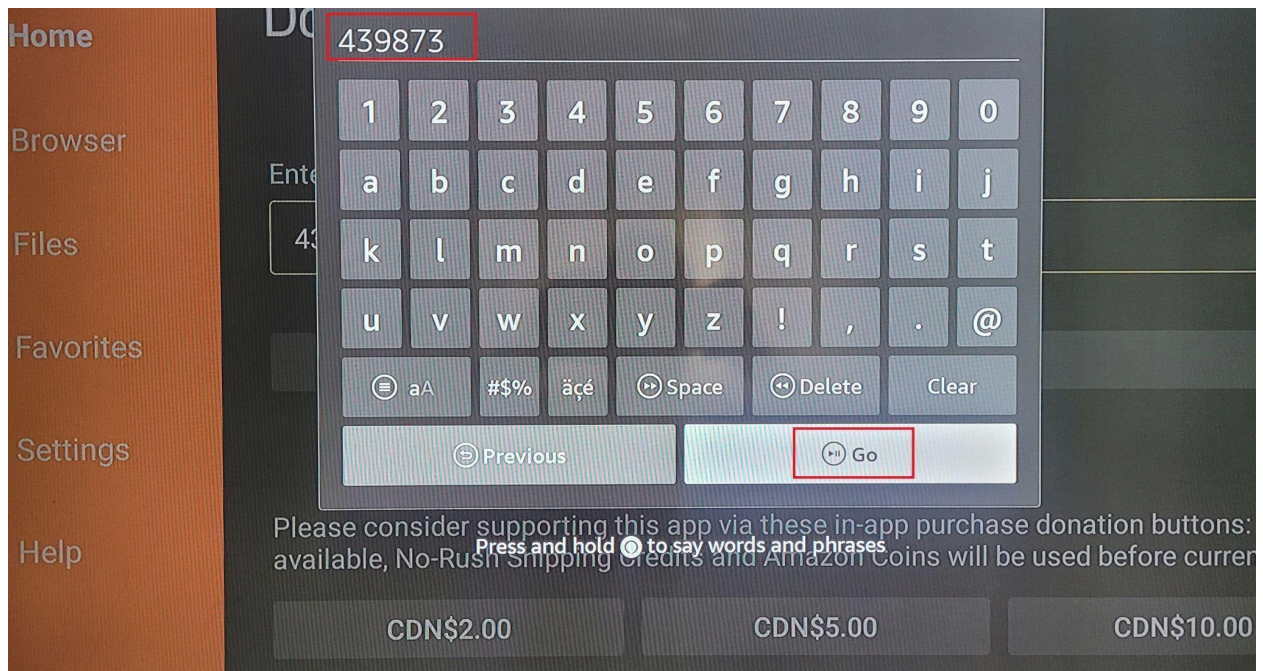

## Section 2: How to Install 8K VIP Using Downloader

1. Open the Downloader app and highlight the address bar.

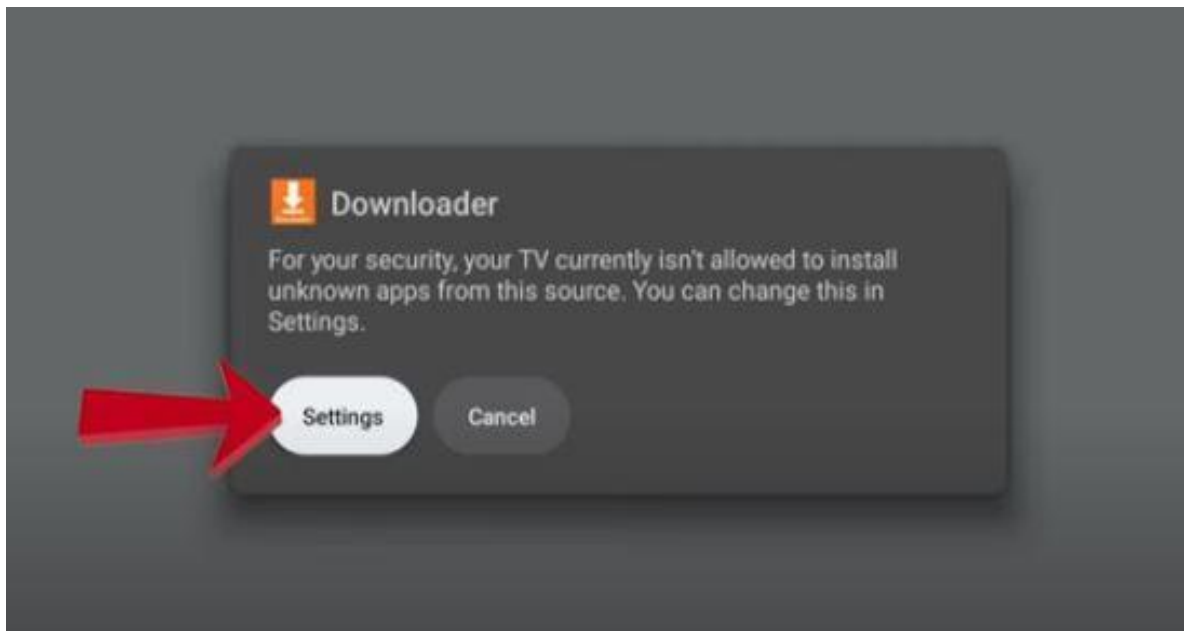

2. **Type** in the following code: **439873**. Once typed in, click on **GO**. The app should then start installing.

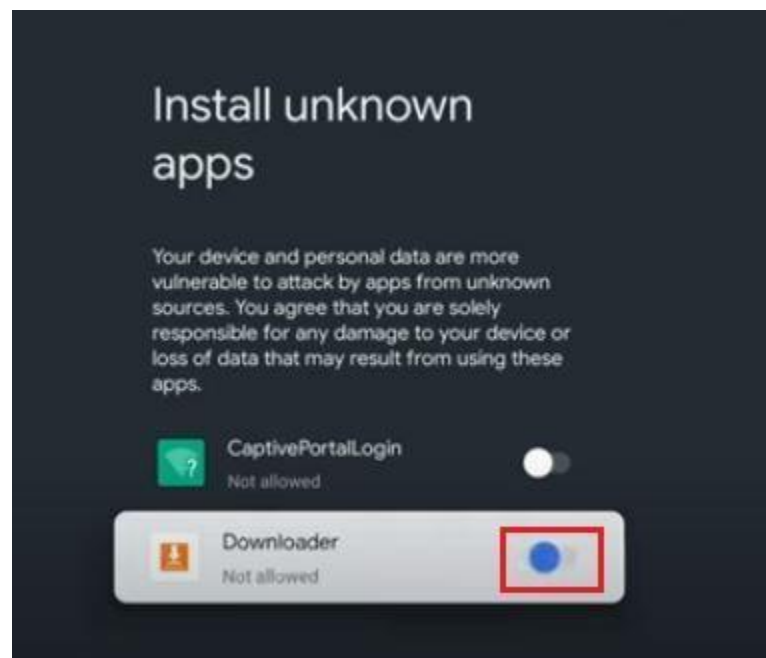

3. During the download you may receive the message below. If you do, be sure to select **Settings** to turn the **Install Unknown Sources** feature..

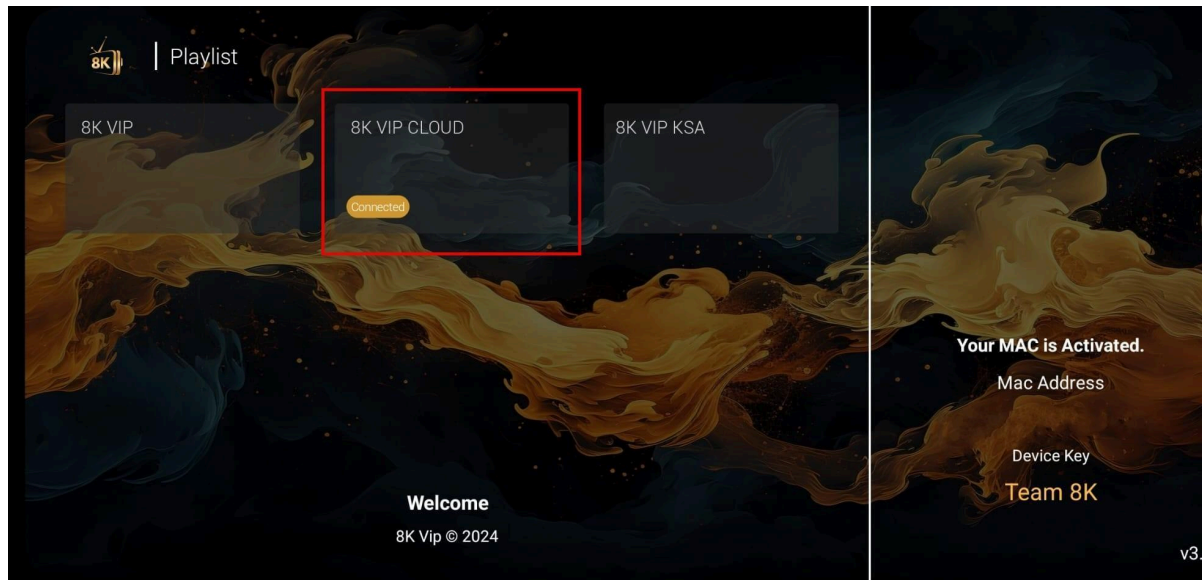

4. Once in Settings, select the **Downloader** option and **toggle on**. You may then resume the download.

## Section 3: Configuring 8K VIP

1. Open the 8K VIP app. Once launched, Select **8K VIP CLOUD**.

2. Select **Edit**.

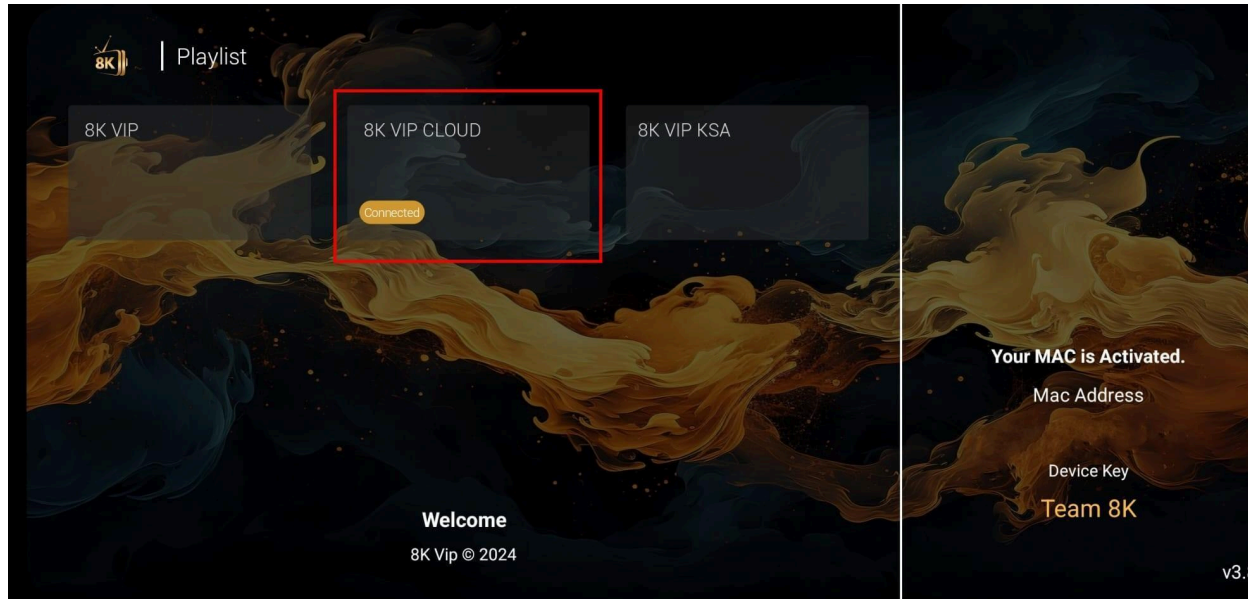

3. Enter the **Username** and **Password** that was given in your Activation email. Leave the Playlist Name as is. After that, select **UPDATE PLAYLIST**.

A screenshot of the 'EDIT PLAYLIST' screen in an IPTV application. The background is a dark, abstract, swirling pattern in shades of blue and orange. At the top left is a back arrow icon. The title 'EDIT PLAYLIST' is centered at the top. Below the title are two options: 'ADD M3U URL' and 'XTREAM-CODES-API'. A semi-transparent dark grey form is overlaid on the screen. Inside the form, there is a 'Mac Address' field with a circular icon to its left. Below that is the 'Playlist Name' field, which contains the text '8K VIP CLOUD'. At the bottom of the form are two input fields: 'Username' and 'Password'. The 'Username' field has a yellow border and contains the text 'Username'. The 'Password' field has a grey border and contains the text 'Password'. A red rectangular box highlights both the 'Username' and 'Password' fields. At the bottom center of the form is a button labeled 'UPDATE PLAYLIST'.

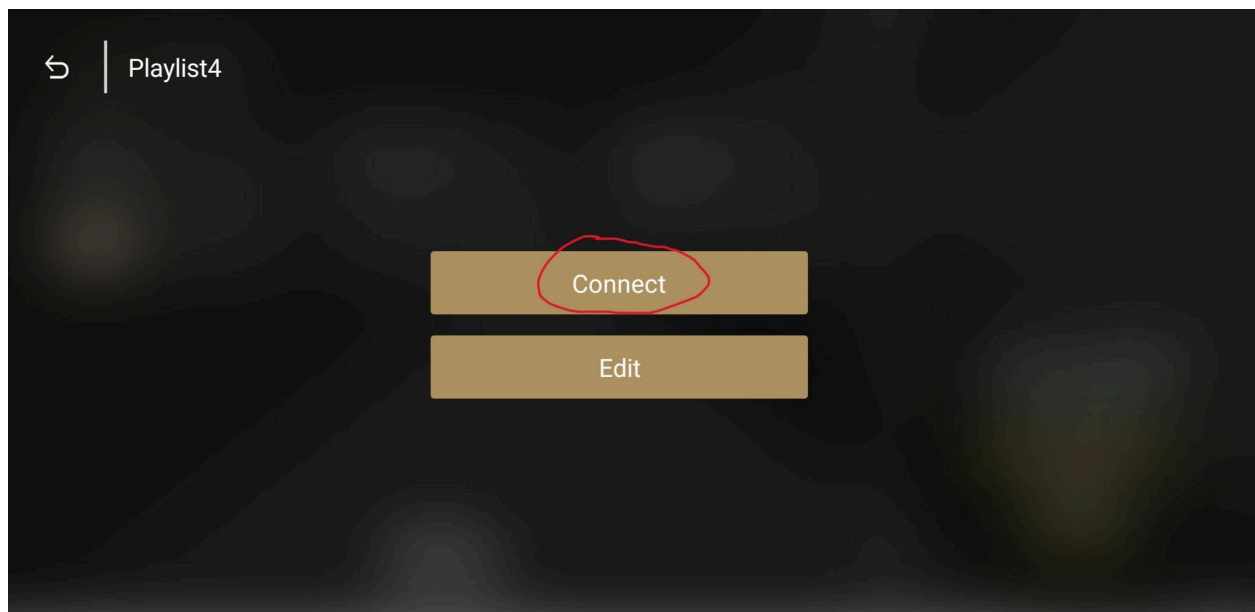

4. Once again, select **8K VIP CLOUD**.

5. Select **Connect**.

6. Congratulations! You are now connected.
