## Installing the App for MS Windows on PC

The following instructions are a setup guide for Windows 10, Windows 11, and all other versions.

Choose the version that applies to your device. For Windows 10 and 11 you will be downloading the 8K Player app. For all other versions you will be downloading the Smarters Player app.

### **WINDOWS 10 - 8K Player Setup:**

To install IPTV on **MS Windows 10**, follow the steps below:

1) Open a browser on your PC and type in:

[http://download.best-ott.me/apk\\_8k\\_win/8K.Player.Setup.0.2.0.Windows10.exe](http://download.best-ott.me/apk_8k_win/8K.Player.Setup.0.2.0.Windows10.exe)

2) Download the **8K Player** app

### **WINDOWS 11 - 8K Player Setup:**

To install IPTV on **MS Windows 11**, follow the steps below:

1) Open a browser on your PC and type in:

[http://download.best-ott.me/apk\\_8k\\_win/8K.Player.Setup.0.2.0.Windows11.exe](http://download.best-ott.me/apk_8k_win/8K.Player.Setup.0.2.0.Windows11.exe)

2) Download the **8K Player** app

## **ALL OTHER VERSIONS - Smarters Player:**

To install IPTV on **MS Windows on all other versions**, follow the steps below:

- 1) Open a browser on your PC and type in <https://player.ps/en>
- 2) Download the **Smarters Player** app by choosing the option that says **Download for All version of Windows** (highlighted in red below):

- 3) Once it is installed, go into Server Settings and input the credentials you received upon placing your order.
